March 16, 2021

The following is a list of cities that have applied for the City Utility Low-Interest Loan Program as of 5:00 p.m. on Monday, March 15, 2021. A total of 53 cities have applied for a total of \$69,519,697.04 or 69.52% of the total available funds. Cities are listed below in the order in which they were received. Applicants are being notified of status today, March 16, 2021, under terms of the application process.

Applications received from now on will be evaluated on a first come first serve basis. If funds are not available, applicants will be placed on a waiting list in the order in which the applications were received.
