- Joint Tenant Account.** An Account established by more than one adult who owns and controls assets intended to be used for the Qualified Education Expenses of a Designated Beneficiary. Joint accounts will be established as joint tenants with rights of survivorship. The first Account Owner's name and Social Security number will be used for IRS reporting purposes.
- UGMA/UTMA Account.** An Account funded with assets held in a UGMA/UTMA custodial account for the benefit of the Designated Beneficiary indicated in **Section 3** of this **Account Application**. The custodian will be treated as the owner of the Account and has the duty to transact on behalf of the minor until the custodianship terminates under the terms of the Act under which it was established. The Designated Beneficiary, who is the minor, cannot be changed.
- Indicate the state (*please abbreviate*) in which the UGMA/UTMA custodial account was opened.
- Business/Entity/Trust Account.** An Account established by a corporation, partnership, association, estate, scholarship, or trust. (*Please see **Section 2c** for instructions on documentation.*)
- Minor-Owned Account.** An Account established for the benefit of a minor, who is both the Account Owner and Designated Beneficiary and cannot be changed. An adult Responsible Individual establishes and controls the Account on behalf of the minor until the minor reaches the age of majority in his or her state of residence, at which time the Responsible Individual will be automatically removed from the account and the minor will assume control of the assets. This type of Account is typically established using proceeds from a Coverdell Education Savings Account (ESA) previously set up for the minor.
